The efforts of Mr. Krishnamurty and other gentlemen in the matter of organizing a 'Representatives Home' deserve support. Mr. Krishnamurti wants both the blocks of Rajaraj Bahadur Chattra to be placed at his disposal for the purpose. Mr. Krishnamurti Rao expects 30 members to join the 'Home'. As the idea

This block may be placed at his disposal provided there are 25 or 30 members joining the 'Home' ~~A list of such members may be obtained~~, Mr Krishna Murti may be asked to send up a list of such members and the question of placing the block at his disposal decided thereon

Requirements of guests

only 12 Govt carriages have been as usual requisitioned for the use of non official guests from the Military Secy. It would not be possible to spare any out of these as these are invariably found to fall short of our requirements and necessitate engagement of local carriages. Official guests generally bring their own conveyances or request the Special Duty officer to hire out local carriages for them. This is being complied with if decent carriages (local) are available at the time.

I may also mention that

Dewan of Mysore
Bangalore.

Sir,

I beg to send herewith a copy of the Constitution & Rules of the Representatives' Home, for your kind perusal, and hope that you will be so good as to give us all possible help to make this humble attempt of ours a success.

It is a patent fact that the Representatives do not have a proper place to stay in during the Dasara season, at Mysore, and they are in consequence put to considerable difficulty, especially on account of the plague. At this stage it is not possible for us to have a building of our own and all the other conveniences that may be required. We beg to request you, therefore, to kindly place at our disposal during the Dasara season two complete blocks of Nanjaraj Bahadur's Chatram, after the same is cleaned and white washed, with all the Vessels, sitting planks, and other furniture that may be available at the Chatrum. We expect to have at least 30 members to join our Home this year.

I also beg to request (1) fifty or as many cots as may be spared along with mattresses & curtains, be lent to us either from the Government stores, or from the stock reserved for European guests: (2) that as many Government Transport tongas as may be required by us (between 4 to 8) be placed at our disposal during Dasara season, either free if the Government be so pleased, or at the lowest monthly rate for the use of our members: (3) that the services of a qualific medical assistant be given to us with all the medicines, & etc: that may be needed.

Since it is not possible for us at the start to arrange for every thing that we may need without the help of the Government we hope that you may be pleased to grant all that we pray for and thus help to make the Home a success.

I beg to remai
